

## FRESHMAN STUDENT AMBASSADOR APPLICATION

Welcome to the Wayne Hills Family! High school is full of exciting challenges and experiences and we hope that your time at Hills will be filled with many good things. We're sure you have several questions about high school. The Student Ambassador Program was created to facilitate connections between upper classmen and incoming freshman to answer those questions and assist you with the adjustment to high school life. The Student Ambassadors can introduce you to fellow classmates, help you get involved in school related activities, navigate the many halls of the building, explain rules/policy, as well as many other things. We hope you take advantage of this exciting opportunity by joining the program. Please fill out the form below so that we can do our best to match you with the right Ambassador. We are looking forward to meeting you! **PLEASE PRINT CLEARLY**
