## Penny Wars

The penny war will consist of each grade being assigned two water jugs, with one being labeled positive and the other negative. The objective is for each grade to deposit money in their positive water jug, while also filling any of the other class' negative water jugs. We will make a dollar amount comparison of each class' negative and positive water jugs at the end of the week, do some math, and name the winner at the end of the rally on Friday. Money will be collected before and after school and during lunch periods (5, 6, and 7) outside of the commons, Monday- Thursday.
